## India's Leading Packaging Show comes to South

In its 5th edition, The India Packaging Show moves to Hyderabad for the first time and will bring into focus the emerging opportunities in the fast industrialising markets of South India.

The debutante Bulk Pack 2010 - The Industrial & Transportation Packaging Event, will add value to the experience of visitors and exhibitors, giving them a leveraged opportunity to partake in this emerging field.

Together, the shows host over 200 exhibitors in two halls covering a gross space of over 7,000 Sq. m. making it the largest packaging event to ever have happened in South of India.

**This is an invitation for you to come and be a part of this unparalleled experience that includes several product launches, running machines galore and many more new and interesting features that combine with an international conference to make it a world class event.**

Ergo Star Hand Gun Gluin Systems, RobaPress Melter, MultiMelt Advance Melters from **Robatech India**

Green Pet, Economical revolution in Transparent Sheets for Display & Blister Packaging by **Spearepet**

**ID Technologies** introduces Storm iX201 Thermal Transfer Printers

Linx IJ350 Large Character Printers for Outer Casing Coding from **USP Packaging**

Introducing GP4100 - Full featured compact Graphic Operator Interface & Displaying the Proface Human Machine Interface 3.8" - 15". From **Digital Instruments & Control Systems**

S480 CIJ Printers from **Jet Inks**

**Saurabh Flexipack Systems** introduces High Speed Pick FFS Machines with 6 Station & 8 Station for catering almost all Packaging Requirements of Food, Pharma & Chemical etc. industries.

**Proface** introducing GP4100 - Full featured compact Graphic Operator Interface.

ITW Thermal Films New Wash Care TTR for Printing on Satin Care Labels & new range of special TTR for Plastic card Printers from **United Enterprises**

R105 Compact Thermoforming Machines from **Multivac Laraon**

Rock Solid HMI's with five years warranty from **Exor India**

#### LIVE DEMO:

Complete range of water / liquid & food packaging machineries from **Hilda Automation**

GL 215 Stretch Wrapper, KGK Inkjet Printers, JP 2000 HP based Inkjet Printers, Variety High End German Strapping Tools, Carton Sealing machine, Automatic Strapping Machine from **Cyklop Packaging Systems**.

Robatech Energy Efficient Hotmelt System, Cold Glue System with electrical guns ECXML, Versatile pattern Controller AS 50 from **Robatech India**

High Speed Twin Lane VFFS Machines & Universal Rotary Fillers For Filling Product In Cups, Cones & Tubs & High speed (200ppm) packaging machine- FB 180TC for Dairy and Food from **Hassia India**

FlexPicker Robots from **ABB Limited**  
Blister Packaging Machines from **Precision Gears Ltd**

High Speed Horizontal Ffs Machine Pk-95 For Packing 1gms To 10gms Granular & Free Flowing Powder Products In Three Side Seal Pouches At Speed Of 500+ Packs Per Minute From **Pakona Engineers**

Easy-Pac Semi Automatic Weigh Fillers, Smart-Pac Cup Fully Automatic Cup Feeder from **Sensograph Packaging Technology**

Pickle, Liquid, Viscous, Powder, Granule, Filling Machines from **Superpack Packaging Machines**  
T-Stix, Funnel Pack and Mini Pak Systems from **Maple Gourmet Industries**

Bottle/Pouch Filling Machines From **Swanpack**  
Pouch Making Machines from **Sanket Packseal Machines**

Carton Dispensing Machines from **Jacsons Engineers**

Vacuum Packaging Machines from **Saurabh Engineers, KRG Machine Tools**

High Speed Hot stamping foil and Cold stamping foil from **Deval International**

Total Labeling solutions, Labels, Labeling machine, Barcode applications from **Interlabels Industries Pvt Limited**.

Batch Coding, Printing & Packaging Systems From **Advanced Industrial Micro Systems**

Coding, Marking & Labelling Solution With Automation From **R V Enterprises**

**Pic Code System** Displays New Range of Batch Printers, Date Marking Machines With Its Inks, Rollers & Packaging Coders Variety

**Markem-Imaje** is a trusted world manufacturer of product identification and traceability solutions Product to Pallet Coding & Marking Solutions from **Domino Printech**

Innovative and High-speed solution for variable Marking & Coding from **VIDEOJET**

**Hitachi**, Rea-Jet Inkjet printer from **Bhavmark**  
Leibinger Jet3 inkjet printer operating on window-based software with 10,4" TFT touch screen from **LMI India**

Labelling Machines From **Shree Bhagwati Machtech**

**Aseptic Technology Inc** - Automatic Self Adhesive Vertical Labelling Machine With Online Camera Inspection For Barcode, Pharmacode & OCR.

Liquid Filling Machines, Sealing Machines, Powder Filling Machines from **NKP Pharma**  
Labeling Machine Suitable For Self Adhesive Labels To Apply On Vials, Ampules, Bottles, Metallic Containers And Boxes (Automatic) From **Dhrom Packers**

Advance Paper/Package/other Testing Equipments from **Global Engineering Corporation**  
Universal Testing Equipments from **Universal Engineering Corporation**

Mark-10 range of motorized force measurement and torque measurement test stands from **Polytech Instruments**  
Explore the sensing technologies with **Pepperl + Fuchs**

Automation, All you desire From **Fortius Automation Solutions**

Plc's, Servo motors & Drives, PID Controllers, AC Drives from **Devanshi Electronics**

Indvac Brand of Vacuum Packing Machines from **Indvac India**

**Proface displays**, AGP3000 Units Networked for Data Sharing and Data Management

Induction Sealing Machines from **Electronic Devices**

Sticker Labelling Machines from **Harikrushna Machinotech**

Pouch Packaging Machines from **Hi-Pack & Fill Machines**

50Kg Granules Packaging Machines from **Interpack Machines**

Semi Automatic Sticker Labeling Machines from **Maharshi Udyog**

High Speed Sticker Labeling Machine From **Laxmi Engineering**

Pharmaceutical Packaging Machinery from **Mechtek, Cadmach Machinery,**

Liquid Filling-Capping-Labeling Systems from **National Pharma Machinery**

Industrial Heaters from **Marathon Heaters**

Industrial electric heaters and heating elements from **Pratik Heat Products**

Stretch Wrapping & Palletizing machines from **Ventura Omnitech**

Batch Coding Machines from **Rishi Packaging**  
Rotogravure Printing & Converting machines from **Shradha Converting Machines**

Tube Filling Machines from **Optomech Engineers**  
Sealing Machines from **Sevana Trader & Services**

Shrink Packaging Machines from **TES Packaging, Durapak**

#### SPECIAL FEATURES:

Innovative Packaging Solution From **Bosch Limited**

Packaging and Converting Machines from **Uflex Limited**

End Of Line Packaging Solutions from **Millennium Speciality Packaging Ltd**

Strapping, Shrink & Carton Sealing Machines from **Brajesh Packaging**

High Class Standard Machine Elements from **Elesa & Ganter India**

Flexible Packaging Solutions from **Digital Micron Roto Print**

Tamper Evident Label/Tape solutions to prevent pilferage and provide security to your packages from **Weldon Celloplast Limited**

Photo polymer Plates from **Repro Poly Services**
